

# VENTIS

## PELLET VENT SYSTEM

The VENTIS® Pellet System is manufactured by Olympia Chimney & Venting with a 304L .016 Stainless Steel Inner Pipe and a .022 Galvanized Outer Pipe. Features the Quick Connect™ Screwless System. It is available in both painted black and non-painted outer. Perfectly round, perfect fit pipe to pipe with the use of Olympia's smooth-weld and precision end forming technology.
